

Figure 3.3 Getting to know more about families

Dear _____

Please help me get to know more about your child _____

What does your child do well?

What changes (health, maturity, interests) have occurred in your child's life over the past few months?

What areas of school life do you think your child will enjoy or already enjoys?

What areas of school life has your child expressed negative feelings about?

What goals do you have for your child this year?

What special needs (academic, social, personal or language) does your child have?

In general, how is your child's self-esteem? Do they believe in their abilities?

Where does your child go after school?

What are your child's favourite after-school or weekend activities?

What else do you want me to know about your child or about you?
